

Format

AssignmentName

AssignmentNumber

Type,Question,Answers

Instructions

- The AssignmentName and AssignmentNumber should not contain any commas.
- If the type is “mcq”, then you need to provide four comma separated values in “Answers” field, with the first one being the actual answer.

e.g – mcq,2+2,4,3,2,5

- If the type is “text”, then you need to provide 1 value in “Answers” field

e.g – text,2+2,4
